Experiences

Freelance UX Designer: FEB 2020 - Present

Iceyisaak.com - Mainz, DE

Develop digital product concepts through design process. Design UI wireframes & prototypes in all fidelity types and screen sizes. Conduct usability tests when needed to enhance product UX.

Freelance UX Design Tutor: JAN 2020 - Present

CareerFoundry - Berlin, DE (Remote)

Consult UX Design Students from all walks of life. Constantly correcting and approving UX assignments keep me fresh and informed of the tools and methods used by the industry standard.

Freelance Web Master: APR 2019 - Present

Ökumenische Flüchtlingshilfe Oberstadt (ÖFO) - Mainz, DE

After helping with the infrastructure of the new website and launched the new Facebook page, I facilitate the workflow of the team and make sure that the system works as expected.

Sales & Marketing Trainee: MAR 2013 - JUN 2013

Sheraton Grande Sukumvit - Bangkok, TH

Education

Certified UX Designer: MAR 2019 - AUG 2019

CareerFoundry - Berlin, DE (Online)

A 5-month Intensive Certified UX Designer Training Program which I designed from scratch, Consulto, an app which utilises blockchain letting users search, call, and pay specialists via app's own Cryptocurrency

M.A. Media & Design Management: APR 2017 - AUG 2018

Hochschule Rheinmain - Wiesbaden, DE

Studied usability design with focus on user experience designing, where I worked with eye tracking device. My thesis was on JS Frameworks Comparison: Angular, React, and Vue
